# Family Fun Day Rippon Lea

# Fill the glorious gardens of Rippon Lea with colour, light and laughter at your next Corporate Family Day

A Corporate Family Day is a fantastic way of rewarding your staff and their loved ones. It shows staff that your company appreciates their hard work during the year.

Rippon Lea Estate is an ideal setting for children's entertainment and activities.

Only 7km from Melbourne's CBD, the historic mansion boasts 5 hectares of magnificent gardens, a poolside terrace, lake, fernery and apple orchard.

Family friendly entertainment can be arranged to include boating on the lake, festival rides, face painting, roaming entertainers, team sports or traditional events such as egg and spoon or sack races.

We have the expertise to tailor a Rippon Lea Family Day to suit your budget.

Packages are available for up to 2,500 people or we can combine Family Days for smaller numbers of less than 100.

Rippon Lea is the perfect venue for your next Corporate Family Day.
