Town Hall Broadmeadows

An icon of mid-century design in the north of Melbourne has been transformed into a contemporary destination for weddings, corporate, private and community events.

A northern Melbourne landmark for over half a century, Town Hall Broadmeadows has recently had a grand makeover, transforming it into a contemporary destination for weddings, corporate, private and community events.

Opening with substantial hype in 1964, Town Hall was one of the largest and most impressive buildings of its type in Victoria. Over the past five decades Town Hall has hosted it all – from weddings and debutante balls, gala dinners, cocktail parties, school formals, concerts, and even an AC/DC gig.

Re-opening in October 2019, the refurbished Town Hall offers multiple event spaces with customisable floorplans and state of the art technology. Flexible event spaces can accommodate up to 500 for dinner and 800 standing in the Main Hall through to intimate meeting rooms for six to 20 guests. The sophisticated and glamorous Blue Lounge and The Gallery with its rotating visual arts programme provide unique and atmospheric spaces for gatherings and pre-dinner drinks.

The building's unique history has been honoured by retaining key architectural design features while transforming the interior with contemporary finishes and furnishings that are a blank canvas for your wedding, special occasion or corporate event.

Features include:

- Floor to ceiling windows
- Multiple flexible event spaces
- Four dedicated meeting rooms
- Mountain grey gum flooring
- Custom artwork
- Large bar
- Hearing loop
