Our Philosophy

At Peter Rowland, our philosophy has always been one of local – born and bred in Melbourne.

Led by Group Executive Chef Matthew Haigh, our culinary team design bespoke menus that will enchant and impress your guests.

Sourcing the best produce starts on home soil with countless hours of ground work alongside the people in our vast supply chain. It is no secret that Victoria boasts some of the best produce and you can be rest assured each dish is paddock to plate, it doesn't get any fresher than that.

"A great caterer has the taste of a chef, the imagination of an artist, and the timing of a conductor."

We are proud of our network of farmers and growers across the stat and our ability to access top shelf and unique products is second to none. With countless weddings under our belt over the past 58 years, the team at Peter Rowland are here to not only to help you celebrate one of the best days of your life, but to also support local communities as farmers and as friends.

True local and true local relationships *done right*.
